Planning session — **$500**
We map how your business runs today and what to build first. You leave with a written plan and a fixed quote. Credited to your build if you go ahead.

Leads

Lead portal setup — **$1,500** one-time
Your leads in one place on your phone, lead scouts for your trade, a daily call list and follow-up reminders.

Business phone line — **$750** setup
A local number for your business. Calls are logged in the portal, screened with "press 1", and missed calls leave a voicemail on the lead.

Lead portal, monthly — **from $995** per month
We run it for you: new leads, drafted posts and follow-ups, updates and support. Bigger setups are quoted after a call.

AI agents

QuickBooks billing agent — **$3,500** + $395 per month
Turns bills from your inbox into QuickBooks Online entries you approve from your phone. QuickBooks Online only.

SharePoint filing agent — **$2,500** + $295 per month
Files incoming email attachments and documents into the right SharePoint folders and keeps a log. Microsoft 365 / SharePoint only.

Email reply desk — **$1,200** one-time
Drafts a reply to every new inquiry in your voice. A person reviews and sends every email.

Private AI install — **from $3,500** plus hardware
Your own AI running on a computer you own, so your data stays in your building.

Software

CRM with team logins — **from $6,000**
Customers, jobs and follow-ups in one place, built around how your team works.

Custom software — **quoted** after the planning session
Customer portals, quote and job trackers, dashboards and integrations with the tools you already use.

Website

Website and Google listing A fast, bilingual website and a Google Business Profile set up right, per location.	**$4,850** per location
Website care, monthly Hosting, updates, fixes and Google listing upkeep.	**$495** per month, per location

Prices in US dollars, plus sales tax where it applies. Monthly plans cancel anytime; see retroworksai.com/prices for refunds and cancellations. Every build starts with a written quote.
